## Meeting Minutes - January 2019

By Sybil Bradley, Secretary

President Bruce Sedelmeyer convened the meeting at 7 p.m. at Culhane's Irish Pub, Jacksonville.

Forty-five including four new or returning members and three guests attended.

The president briefed the members on the Board Meeting held 19 January 2019. Specific items noted:

**Website improvements** include the ability to process online payment for name badges by credit card or personal PayPal account.

**Insurance.** Club officers and events are insured through NAMGBR/NAMGAR.

**Tax Filing.** The executive committee and Board are pursuing the proper filing status for 2019.

**Positions.** Most of the club's ancillary positions are filled. However, the club still needs volunteers for Youth Programs.

**Tech Session Coordinator.** Vice President Mark Albright volunteered for and is now the **Tech Session Coordinator**.

**Event Coordinator.** Ian Massey volunteered for and is now the **Non-GOF Event Coordinator**.

**Club Email Addresses.** The board deleted four club email addresses to streamline communications and save **club funds**.

The membership discussed the Christmas Party venue, caterer, and possible re booking for 2019. The Board voted to limit club participation/liability for the cost of Christmas party to 30% of total cost.

### OLD BUSINESS

The president asked for the 2019 GOF South report. Jim Hall, the GOF Chairman, reported:

The club desperately needs baskets, raffle prizes, and goodie-bag items. Please wrap them and bring them to the next meeting, or get them to him when possible.

Members need to register for the GOF now.

There are only 20 rooms left in our block at the host hotel so make reservations now.

Hospitality Room Volunteers are needed. Please volunteer and contact Jim Hall if you do.

Members need to refer to the MG Classics website [www.mgclassics.org](http://www.mgclassics.org) and newsletters often for updated GOF South information.

The president reminded the membership that the first MG Classics magnetic bumper sticker is free, additional copies cost \$5. They are available from the club treasurer – Mike Hogan.

Mike Kazmierski reported he had hats, pins and other regalia items for sale. Anything not sold by the GOF will become raffle prizes.

The next Tech Session is Saturday, 16 February at Legacy Automotive, See website and newsletter for details. Members need to register online so attendance, pot luck item, and projects can be determined.

Richard Gross recapped some near-term events. All MG Classics members are encouraged to participate:

### Sunday, 3 March

The Club will drive to St. Augustine to meet the Norfolk and Virginia Beach area Tidewater MG Classics. Each year they come to Florida on the auto train to tour the state. This year their drive will bring them through St. Augustine.

Our club will welcome them with a picnic at Fort Mose. It will include an educational program, militia display, and a picnic lunch. A \$5+/person donation to the Ft Mose Historical Society is appropriate.

Please register at [www.mgclassics.org](http://www.mgclassics.org) if you plan to attend. The club needs an accurate headcount for preparation ration purposes.

See the club website for updates.

### Saturday, 30 March

The BCCNF (British Car Clubs of North Florida) will host a Spring Drive to Washington Oaks Garden State Park that includes a "*bring your own*" picnic lunch.

Geoff Ashcroft will investigate and report on touring a nearby classic car collection.

See the newsletter and website for details.

### NEW BUSINESS

Please check the calendar on the club's website - [www.mgclassics.org](http://www.mgclassics.org) - regularly.

Ian Massey briefed on the next **Great Dixie Brit Car Rallye** to be held 9 November. Previous rally winners include the Stan and Lily Kinmonth, so anyone interested in participating should ask them for first-hand information on the Rally.

Stan Kinmonth reported on the **Palatka Municipal Airport Car Show, and Fly-in** held last weekend. It was well attended and had a wide variety of collector cars and airplanes displayed. The Triumph Club was there with three cars and a banner. If there is interest, we should get a group to attend next year.

Bruce Sedelmeyer reminded everyone to register for the GOF, tell your friends to register, hurry to get one of the hotel rooms. This is the club's premier event this year, and as the host club, we need maximum participation.

Richard Bendetti provided information on [www.bringatrailer.com](http://www.bringatrailer.com) - a website that may interest club members.

Bruce Sedelmeyer reminded the members that Club membership renewal is due. Members have until March before being dropped from the rolls.

Wayne Snook won \$48 in the Fifty/Fifty drawing.

Neil Nelson and Wayne Snook donate an *"at cost part for your MG, if ordered within 30-day prize."* Len Geiger won that drawing.

The next club meeting is 25 February 2019 at Olive Garden in Orange Park.

The meeting adjourned at 8:10 p.m.

PALM COAST FL 32137

ADDITIONAL INFO: 386-446-6780; <http://www.bccnf.net/>

**SATURDAY, 30 MARCH 2019**

The formal gardens are the centerpiece of the park, with displays of native and exotic plant species such as azaleas, camellias, and bird of paradise.

The gardens offer opportunities for a peaceful stroll through winding reflection ponds sheltered by an oak hammock.

Washington Oaks is famous for its shoreline of coquina rock formations that line its beach. This ancient rock formation creates a perfect spot for beach-combing, tidal pool exploring, and photography.

Visitors can picnic and fish from the beach or the seawall along the Matanzas River.

The park offers short trails for hiking and bicycling, as well as a visitor center for learning about the park's natural and cultural resources.

Washington Oaks hosts several annual events including an Earth Day Celebration, Holiday in the Gardens, and Saltwater fishing clinics. First Friday Garden and History walk along with Second Saturday Plant Sales offer consistent monthly programming to enjoy. Hiking, birding, fishing, strolling, or spending a day at the beach are what Washington Oaks offers.

## For Sale: 1980 MGB

### MG Classic Members,

I recently sold an auto repair shop in Leesburg, Florida, and one of the vehicles I kept was a **1980 MGB** which had quite a lot of mechanical work done to it. A customer left the car with us after signing over the title.

The car sat inside the shop for a few years, so it was not subject to outside weather; however, it does need bodywork. It would either make a good project or parts car.

I wondered if any club member would be interested in making an offer. I'm not looking for an outrageous sum - a few hundred as it's got way more than that in parts alone.

Regards,

**Steve Healey**
